

# Help us support the Elizabeth C-1 School District!!

## **PURCHASE AND USE A **RELOADABLE** GROCERY GIFT CARD FROM THE ELIZABETH EDUCATION FOUNDATION**

Here's how it works:

Purchase a reloadable gift card from the Elizabeth Education Foundation for \$10. Your card can only be purchased through the Foundation to qualify, **AND** it's already loaded with a \$10 credit!

Before paying for any of your purchases, -- **INCLUDING FUEL and PHARMACY** -- simply load your card with funds from your debit/credit card, check or cash. Show the checker your card and let them know you want to add funds to it **before** they start scanning your groceries. You can load any amount up to a \$500 balance on your card. (Remember, there is already \$10 on it) It's simple! You can use it for every purchase!

For every \$100 loaded on your gift card, \$5 is then donated to the Elizabeth Education Foundation. These monies will then be given back to the Elizabeth C-1 School District in the form of grants. All of us working together can raise thousands of dollars for our schools. Think of all the things our schools need and would like to buy, provided for just because you took one extra step before purchasing your groceries or buying fuel!

The Elizabeth Education Foundation is a 501(c)3 nonprofit organization which has served the Elizabeth School District since 1998. During the past several years we are proud to have contributed over \$48,000 into our district. With your help we can continue this tradition!
