Legacy Academy appreciates each family's effort to assure children dress appropriately. Students not complying with the uniform policy may face disciplinary action. If a student is unable to correct a uniform policy violation (i.e.: hole in clothing or items that do not comply with the dress code policy), Legacy Academy staff may implement one of the following solutions:

- Require the student to wear uniform apparel held in reserve in the school office.
- A phone call home requesting that a change of clothing be brought to school ASAP.
- Non-compliance without correction will result in the student being sent home.
- Multiple uniform violations will result in the loss of a Dress of Choice day by the student.
- Students who are not in uniform might be unable to participate in field trips or leave campus for school activities.
